**Portland Village School Statement of Understanding**

# Portland Village School

*A Public Charter School*

## Student Admissions Application 2012-2013

---

The Portland Village School is a unique learning environment that differs significantly from a traditional public school. We ask that you affirm your understanding and support of the following policies and concepts.

### ***A Spirit of Parent/Guardian or Family Involvement***

I understand PVS is a young school that needs the continued enthusiasm and support of its families. I will volunteer as I am able. This includes opportunities to help with projects such as landscaping, fundraising, and chaperoning field trips.

### ***A Holistic Approach to Academics Based on Waldorf Methods***

I understand that the school's educational model involves a holistic approach to children by engaging them intellectually, emotionally and physically. This means my child will receive a rich tapestry of art, music, and movement instruction. In kindergarten and the early grades academics will be introduced through song and story; there will be minimal, if any, worksheets, drills, or homework. Oftentimes, home study will include household responsibilities, family-based activities, and reading or story-telling.

### ***A Dress Code Focused on Simplicity***

We expect that children will come to school in plain clothes free of logos, cartoons, violence or other distracting visual images. Students' clothing and shoes should be warm, simple, and appropriate for daily indoor and outdoor active play. Children will be outdoors in *all* types of weather, so please make sure they have appropriate clothing.

### ***Media Free***

At Portland Village School, we have chosen to avoid the use of technological tools of instruction (overhead projector, VCR, television, computers, videos, computer games). Our objective is to foster children's direct experience of the world. Please support this commitment by limiting your child's screen time (television, computers, etc.) to non-school days.

### ***Food***

At the Portland Village School, we emphasize healthy life-long eating habits. Students must bring a healthy morning snack and lunch from home or enroll in the hot lunch program (which complies with the free and reduced fee lunch program guidelines).
